Dear Timothy Carroll,

We are pleased to announce that under the new administration of Governor Maura Healey and Lieutenant Governor Kim Driscoll, a total of \$100 million for Fiscal Year 2024 has been allotted from the Fair Share Amendment to support local infrastructure across the Commonwealth's 351 cities and towns.

Passed by voters in 2022, the Fair Share Amendment requires that revenue raised by the 4% surtax on taxable income over \$1 million be spent on public education and transportation. This apportionment continues to demonstrate the Administration's support in strengthening municipal partnerships and providing financial resources that support transportation improvements at the local level.

**This letter certifies that your community's Fair Share apportionment for Fiscal Year 2024 is \$39,986.00.**

The Fair Share Amendment funds will be distributed to communities using two formulas. The first \$50 million will be distributed using the traditional Chapter 90 formula based on local road mileage (58.33%), population (20.83%), and employment (20.83%). The other \$50 million will be distributed using a formula based on each municipality's share of road mileage.

This apportionment will automatically be incorporated into your existing Chapter 90 contract with MassDOT with no further action by the municipality. Apportionments for all communities are available online at [www.mass.gov/chapter-90-program](http://www.mass.gov/chapter-90-program). Please note that the bill enacting these funds has been signed; the funds are now available for municipal use.

We look forward to working with you in the coming year to continue the success of our municipal partnerships.

Sincerely,

Maura Healey  
Governor

Kim Driscoll  
Lieutenant Governor
