Dear Mr. Maloney and the Members of the Zoning Board of Appeals:

We are abutting neighbors of Cathy Hoffman and David Gersh, and wish to express our unreserved support of their application for a Special Permit for their in-ground swimming pool. This Application is up for review at your August 25, 2022, meeting.

We've known the Hoffman/Gersh's for decades, both on- and off-Island. They have been wonderful neighbors here in Chilmark, and we are confident that they will remain so as they bask alongside and frolic in their new pool.

We encourage the ZBA to vote in favor of the Special Permit.

Thank you.
