Chilmark Zoning Board of Appeals

Dear Chairman Murphy and the Chilmark Zoning Board of Appeals,

This letter is in support of the zoning board of appeals application for our neighbor Jim Rubens, at 14 Pinkletink Rd. We have reviewed the design and are happy to offer our support of the project. We feel that it fits within the site, ties nicely to the existing structure and does not negatively affect us, as abutters.

Best,

Jonathan & Jessie Lubow
