MOU with Tour - Van Drivers**

We look forward to a friendly, prosperous 2019 season. In an effort to avoid any confusion or confrontations we have had with drivers in the past we have created this Memorandum of Understanding. This will be signed by each company who holds a roads permit license with the Town of Chilmark.

Please keep this MOU with each driver when entering the Town of Chilmark.

- **Tour drivers will not drive beyond the Homeport Restaurant Parking lot.** Please turn around in the Homeport lot. If it is before 4:00 PM and there is parking available you can let your charge off at Menemsha Beach and local attractions and let them know to call you while you wait in Homeport lot. *You must vacate Homeport lot by 4:00 PM*
- **Driver will not leave the vehicle unattended unless in a legal parking spot**
- **Driver will not park on private property without the permission of owner**
