

March 29, 2024

Dear Municipal Manager:

In January, you should have received a letter from me indicating that the FY23 Schedule A that was due on November 30, 2023 was not submitted by your community. The letter further indicated that your local aid would be held beginning in February, 2024 and each month thereafter until submitted, as authorized by G.L. c. 58, § 18F, which authorizes the Commissioner of Revenue to delay current fiscal year state aid payments as well as future fiscal year payments for any community not filing its report timely.

Please submit the Schedule A for your community as soon as possible so that distribution of your local aid can resume. If I may be of further assistance, please feel free to contact me at wagnerd@dor.state.ma.us.

Sincerely,

Deborah A. Wagner
