

Subject: Interest in serving on the CPC

Dear Mr. Carroll,

I hope this email finds you well. I am writing to express my sincere interest in volunteering for the Chilmark Community Preservation Committee. I am particularly drawn to the committee's objectives of advancing Affordable Housing, Historic Preservation, and Open Space projects, and managing the funding process for these initiatives.

Having resided in Chilmark for several years, I am keen on contributing to these important areas and engaging in the public hearings to help shape our community's future. I have had the pleasure of serving on non-profit boards in the past and my desire to further my community engagement makes me excited about the potential contributions I could make to the committee.

I would appreciate the opportunity to discuss my potential involvement in more detail. I am looking forward to hopefully working together to make a positive impact on our community. Please feel free to contact me at 646.620.8682 to arrange a convenient time for a discussion.

Warm regards,

Adam D. Sloan, CFA
