Subject: Fred Khedouri / ZBA

Jim, Warren and Bill,

Fred has inquired about joining the ZBA. I let him know that we don't have impending vacancies and that perhaps he could serve as an alternate. Checking our bylaws, we are able to have 5 alternates on the ZBA. We currently have 2. I believe having additional alternates on the board is a good thing for the board and the town, and we should encourage our townsfolk to participate. Also, having an additional alternate, or alternates, would provide the board with a better chance of having a quorum at hearings. There have been a few hearings, one just last week, where we didn't have a quorum or an alternate to seat.

Full disclosure: I do not know Fred. He has let me know that he was a 2 year ZBA member in New York in the past.

Russell
