Board of Selectmen
Town of Chilmark

Dear Selectmen:

The Board of Assessors has reviewed the proposed Bliss Pond Farm Conservation Restriction and determined that placing a CR on 34 Acres would reduce the property value by approximately \$705,200, and the tax by \$2,052.13 at the FY2021 tax rate \$ 2.91.

The Board supports this conservation restriction as preservation of open space.

Clarissa Allen, Chairperson

Board of Assessors
