

CHILMARK BOARD OF HEALTH

Agenda

December 21st, 2022
5:00 pm / in-person meeting
Chilmark Town Hall
401 Middle Road

1. **Draft Minutes**, December 7th, 2022 minutes, revised Temporary Food Event Application for 2023.
2. **Twist, 32 Abel's Neck (31-4)** Replacement well application due to inability to use shared water well off-season. The neighbor signed off on the plan confirming that he had no objection to the proposed replacement well plan at a 10' distance.
3. **7 The Aerie (20 – 54.1)** – Leaching system restoration plan by Douglas Cooper: to remove existing root-bound perforated pipes, replace 3-60ft trenches with 32-unit infiltrator, bed removal/replacement of unsuitable soils with Goodale's sand. Existing D-Box to remain, install an alarm at pump chamber.
4. **98 Kings Highway (12-21)** – Request for the BOH to review the previously approved septic plan and conclude whether it is still specific enough or if changes need to be made.
5. **Wintergreen Way (18-25.1)** – Proposed revised well application due to Island Water Source not being able to drill at the location approved by the Board.
6. **BOH FY24 Budget**
 - **Updates & FYI:**
 - **Title 5 Inspection Report pass:**
 1. 276 South Rd. (24-187)
 2. 1 Old North Rd. (26-119 – guest house)
 3. 1 Old North Rd. (26-119-main house)
 - **Permit application renewals received:**
 1. Menemsha Texaco Tobacco application
 2. Menemsha Texaco Food Establishment application
 3. John Keen Excavation sewage treatment and disposal system installer application.
 - **Items not reasonably anticipated by the Chair at the time of posting**
