**Subject:** Board of Health Memo to the Select Board re: new BOH SPDAC committee representative

Dear Tim,

At our last Board of Health meeting on 07/26/23, the Board discussed the retirement of the Board of Health Representative on the Squibnocket Pond Committee – Liz Gude. Jan Buhrman volunteered to become a BOH representative, and the rest of the Board supported her candidacy. Matt Poole will be the alternate representative if Jan cannot attend. Please let the Select Board know.

Thank you,

Anna McCaffrey
