**Subject:** Chilmark Board of Health memo re: OB moratorium on synthetic turf

Dear Garrett,

On 11/15/23, the Chilmark Board of Health discussed your request to support a moratorium on synthetic turf in Oak Bluffs due to PFAS concerns.

The Board supported your right to impose a moratorium and asked you to keep us updated on any island-wide boards of health initiatives on this issue.

Thank you,

Anna McCaffrey  
Board of Health Inspector / Administrator  
Town of Chilmark  
508-645-2105
