**Subject:** Fall Tennis

Thank you for all of your continued support of the tennis program. We would like to continue to be able to safely engage the up island community with the tennis program this fall. We are pleased to report the tennis program has continued without incident, promoting social distancing, wearing of masks to and from the courts, with limited numbers on each court, and with tracing protocols in place. This has allowed members to engage in outdoor activities in a safe and healthy way.

In preparation for the April 15th Selectmen's Meeting, we invite you to come to the tennis area to observe the continued precautions which have been taken in order to ensure the safety of those involved, as well as creating a barrier between the tennis area and areas where the up island school children will be. We are open every day of the week from 8am to 12pm and from 3pm until 6pm. If you wish to contact us you can email us at this email address [ccctennisshack@gmail.com](mailto:ccctennisshack@gmail.com) or you can call us at (508) 645-3061

Thank you,

Eddie Stahl on behalf of Fall Chilmark Tennis
