Dear Tim and Community Center Committee-

I am writing requesting the use of the Chilmark Community Center for an all day Chilmark Church event on Saturday December 16th. As in the past the church has used the Community Center for its annual Christmas Flea to offer local vendors an opportunity to share their wares as well as spread holiday cheer. This is also a fundraiser for the church with baked goods, greens, trash and treasure table and raffle/silent auction items. There is also a caterer that serves lunch items. There is a nominal table fee for the vendors as the church volunteers handle all the set up, publicity and clean up. All net proceeds raised goes to aid the church's ministry and mission in the community as well as the world.

As you know this has been a challenging few years for the Chilmark Community Church. There is enthusiasm within the congregation to continue to do events reaching the community beyond the summer Chilmark Church Flea Market and the Tuesday Lobster Rolls. We are serve a community meal (pizza), free to the public on Tuesday evenings fall and spring. Along with our Sunday morning worship we host 2 AA meetings along with other community groups. This church has had a long standing place in Chilmark and we look forward to a bright future ahead.

I have filled out the rental request form and left it with Dilly. Please let us know your decision as soon as possible so we can begin publicity and planning.

Blessings,  
Rev. Dr. Charlotte Wright
