

January 17, 2023

From: Chilmark Community Church  
To: Chilmark Select Board

The Chilmark Community Church is requesting that the Chilmark Police Department supply a traffic officer at the North Road entrance of the Chilmark Church Flea Market (Pat Jenkinson's field).

The requested traffic coverage is for:

Wednesdays and Saturdays  
9:30-1:30  
mid-June through Labor Day

Further information:

- A traffic officer is required at the entrance to the field because the traffic backs up on North Road and is a **safety issue** for the town of Chilmark.
- CPD did provide traffic officers prior to summer 2022.
- The Church depends on the income from the Flea Market (Profits from the Flea Market represent more than half of the annual Church budget).
