Select Board
Town of Chilmark
401 Middle Road
P. O. Box 119
Chilmark, MA 02535

Dear Select Board,

I would like to be reappointed to the Harbor Advisory Committee.

As you know, I am an abutter to the harbor and have lived in Chilmark all my life. I have a long-standing concern for keeping the harbor and Menemsha a thriving fishing village. I hope that you will reappoint me to the Harbor Advisory Committee so that I may help to maintain the character of Menemsha and its continued existence as a fishing village, that has disappeared from so many other towns.

I am currently the Chairperson of the Security Camera Working Group, do not know if that needs reappointment, but if it does, I would like to stay on that to see it to completion ASAP.

Thank you for your time and consideration.

Sincerely,

Deborah Hancock
