Hi folks

This is the usual request for letters of interest from people seeking appointment or reappointment to town committees.

For those of you with committees that are appointed, PLEASE remind those whose terms are expiring to submit letters of interest if they wish to be reappointed.

I have already been receiving interest from folks that are not currently serving. They are asking to be appointed to various committees.

The Select Board will meet on May 3rd & May 17th. Appointments will be processed in the order they are received. So please let your members know ASAP.

Tim **Tim Carroll** Town Administrator Town of Chilmark

Dear Select Board,

I would like to be considered for appointment to the Harbor Advisory Committee.

As you know, I am an abutter to the harbor and have lived in this town all my life. I have a long-standing concern for keeping the harbor and Menemsha a thriving fishing village, which is in keeping with the first thing to protect in the original Master Plan and every update since. I regret that I have not been more involved since my father, Herbert R. Hancock, passed away in 2001. I hope that you will put me on the Harbor Advisory Committee so that I may help to maintain the character of Menemsha and its continued existence as a fishing village, that has disappeared from so many other towns.

Deborah Hancock

Hi Ryan and Tim,

I hope you are both doing well. I would like to request that I be considered to serve on the Harbor advisory committee. Could I be added to the agenda? Thank you. Wesley Brighton

Friends,

If it pleases you, I would like to be reappointed and continue to serve on the housing committee, park and rec and harbor advisory committees.

I am also available if I can be helpful in other ways.

Andy

Hi AllStaff

So far, I have only heard from one Harbor Advisory Committee member that they wish to be reappointed.

Do any of your committee members that you reached out to want to be reappointed?

I am doing the appointment list and the agenda closes at 12 noon Friday. Tim

To the Select Board of the Town of Chilmark:

I am writing to request my reappointment to the Chilmark **Housing** Committee as the representative from the Dukes County Regional Housing Authority. I would be honored to serve another term, if the reappointment is granted. Please let me know if any further information is needed.

Sincerely,
Ann Wallace
