9:00 – Request for a Determination of Applicability

Applicant: Sheriff's Meadow
Address: 208 Middle Road (AP 18-25)
Representative: Kristen Geagan

Project: The work involves the creation of a new trail at Middle Road Sanctuary. The trail will connect from the purple-red trail to the yellow trail. Where the new trail starts off the purple-red trail is within 100' of a small shrub swamp and stream. The stream flows from the wetland in the direction of the new trail and then southeast where it disappears. The stream is intermittent and does not fit the definition of a river according to 310CMR10.58(2).
