**NOI - Sheriff's Meadow Foundation (Roth Woodlands Ecological Restoration)**

**Representative:** Kristen Geagan, Director of Stewardship

**Address:** 148 North Road (Project taking place near northern terminus of Old Farm Road); AP 3-4

**Project:** Sheriff's Meadow Foundation (with MA Division of Ecological Restoration) proposes a culvert replacement project at the headwaters of the Mill Brook, located on the Roth Woodlands Property (owned by Sheriff's Meadow Foundation). The project proposes to replace two undersized culverts with a larger pre-cast culvert that conforms to MA Stream Crossing Standards and allows for the restoration of ecological functions and fish & wildlife passage. The project falls within a riverfront, bordering vegetated wetlands, land under water, inland banks, land subject to flooding and associated buffer zones, all areas regulated by the MA Wetlands Protection Act and the Chilmark Wetlands By Law.
