

ZOOM: CONSERVATION COMMISSION AGENDA 1/5/21 @ 9:00 AM

1. **NO SITE VISIT: 9:05 am: CONTINUED PUBLIC HEARING NOI SE 12 - 865; REID SILVA FOR CHILMARK POND FOUNDATION; Chilmark Pond and barrier beach:**
Eligible voters: Chris, Pam, Candy, Sandy, Joan, Doug: Review comments from state agencies. This is a NOI to review the data and a long term ecological restoration plan improve the shellfish and diadromous fish habitat and water quality of Chilmark Pond. It is modeled after the Edgartown Great Pond's successful management program that improved the water circulation throughout the pond during an opening. It has been advertised in the Environmental Monitor. This is the first permitting step toward applying for and receiving the complete set of state permits needed for this long term plan. The complete permitting process will take more than 12 months to complete. The project will take place within Chilmark Pond on land under water and on a section of barrier beach.
2. **ADMINISTRATION:** Draft 12/15/20 meeting minutes.
