

**ZOOM: CONSERVATION COMMISSION AGENDA 11/17/22 @ 9:00 AM**

Remote participation only

Meeting ID: 878 7759 9371

**9:00 – Notice of Intent**

Applicant: Robert & Bridget Barber

Address: 443 South Road (AP 25-1.1)

Representative: Doug Cooper (CES)

Project: Applicant is seeking permission install an in-ground swimming pool with blue stone patio and perimeter fencing. The removal & relocation of a guest house, utility trenching, installation of siltation fencing. All activities are proposed within the buffer zone only of bordering vegetated wetlands.

**9:05 – Notice of Intent**

Applicant: Vineyard open Land Foundation (VOLF)

Address: Eddy Farm Road (AP 25-7.15)

Representative: Reid Silva (VLS)

Project: Applicant is seeking permission to remove invasive plant species and downed trees within a bordering vegetated wetland and adjacent buffer zone and planting of native grasses within currently mowed buffer zones. The purpose of the project is to restore the native vegetation community and historic habitat of the property.

**Continued Hearings:**

SE12- 896 - Frank V. Sica - 0 Gosnold Way (AP 20-28) Representative: Reid Silva, VLS

Project: Application to plant native grasses and plants to restore a recently cleared agricultural area. Portions of the clearing extended into a BVW and the buffer zone thereto. Locust posts are proposed to be installed to delineate the limit of clearing to be maintained.
