Select Board
Town of Chilmark
401 Middle Road
P. O. Box 119
Chilmark, MA 02535

Dear Select Board,

I would like to be considered for appointment to the Harbor Advisory Committee.

As you know, I am an abutter to the harbor and have lived in this town all my life. I have a long-standing concern for keeping the harbor and Menemsha a thriving fishing village, which is in keeping with the first thing to protect in the original Master Plan and every update since. I regret that I have not been more involved since my father, Herbert R. Hancock, passed away in 2001. I hope that you will put me on the Harbor Advisory Committee so that I may help to maintain the character of Menemsha and its continued existence as a fishing village, that has disappeared from so many other towns.

Thank you for your time and consideration.

Sincerely,

Deborah Hancock

cc: Jennifer Christy, Town Clerk
