Police Chief Jonathan Klaren he has been in discussions with Chief at USCG Station Menemsha about the possibility of his staff assisting the police department with traffic officers. Police Chief Klaren is requesting that that HRB allow any current member from the USCG that begins employment with the Chilmark Police Department as a traffic officer, receive the starting wage at Step 5 (\$24.34/hr). Police Chief Klaren said he believes that they certainly meet the 'exceptional qualification' standard required by HRB as well as our current lack of qualified applicant pool.

Characteristics of active members from USCG Station Menemsha:

- Thoroughly vetted by federal background checks
- Required to meet annual physical standards
- Have year-round housing
- Do not leave mid-August to return to college.

Human Resource Board members present voiced their support for this well thought request. Select Board members also supported this proposal and understand the difficulties filling these vital positions.
