Dep Chief. Tim Carroll

SELECTBOARD MEETING 9/14/2021

#1 The Jet Ski has been broken in the rescue group has been able to get some great training in rescuing patients in water onto rescue sled . It took a few tries to get the sled mounted correctly with quick release connections. We will be keeping in service till the end of September.

#2 Meeting with the last company to get quote for asbestos abatement . Picking up at boat on wed September 15.

#3 we have had a good jump on stripping out cross Rd and making the transition to North Rd we will be ready for the end of September.

#4 Our apparatus are scheduled to start maintenance and stickers September 15 – 30th .

#5 Signage is still a problem in town, keep finding new areas of concern working on list and placement of #.

6 We just got too new personnel that want to join Chilmark Fire. One of the applicants can't receive the COVID vaccination due to religious beliefs. I'm just seeing how the select board feels about this, I personally have no problem taking him on and making sure he participates in a safe manner.

TRAINING

#7 EMT class started on the 8th of September –mid December we have five personnel taking the class. We received the text books for the FF1- FF2 class and will start up in Jan.

Thank You

Jeremy Bradshaw
Chilmark Fire Chief
