Subject: MMLA: Permitting provisions of Chapter 201 of the Acts of 2020

Hello, this Act

(<https://malegislature.gov/Laws/SessionLaws/Acts/2020/Chapter201>) touches on a number of subjects, but the purpose of this email is call attention to the changes it makes to Section 17 of Chapter 53 of the Acts of 2020 which tolled permitting deadlines (opening of hearing, approval deadlines, etc.). Chapter 201, signed by the Governor today, significantly pulled back the original tolling (which extended for 45 days after the end of the state of emergency) to a fixed date of December 1, 2020.

More detailed interpretation may be needed but I had someone in my office prepare a tracked changes version of the original Section 17 to show the modifications made in Sections 33 through 38 of Chapter 201. It is helpful for

me to read the changes in context so I wanted to share in case it would assist the group as well.

[Sometimes attachments don't go through on these MMLA emails so hopefully this will make it through.]

Have a good evening.
