

TO: CHILMARK SELECT BOARD

10/14/2022

The HAC held a meeting on October 7, 2022, One of the many items discussed at the meeting was traffic and parking enforcement in Menemsha. Traffic became the sole responsibility of the Harbor Department for the summer of 2022. As time went on there was improvement. Part of the improvement was due to more Police presence starting in August.

The Harbor Advisory Committee would like to recommend to the select board that the Chilmark Police Department have a continued presence in Menemsha to help the Harbor Department with the traffic and parking enforcement. It appears there is a need for traffic officers on weekends beginning memorial day weekend through July 1, full time July 1 through Labor day, and again on weekends through Indigenous peoples day. Thank you for your time and consideration of this recommendation.
