Martha's Vineyard 5 Year Community Plan for an Aging and Dementia Friendly Island

May, 2022

An Introduction

Greetings,

We are pleased to share with you our 5 year community plan for an aging and dementia friendly island, addressing six key priority areas. We strive to:

- Ensure equity for Older Adults in all aspects of their lives*
- Generate a spirit of inclusiveness island-wide through diverse representation in our planning and implementation process*
- Collaborate with local, regional and national organizations to optimize our collective efforts*

Cindy Doyle, Chair of Healthy Aging Martha's Vineyard

HAMV key priorities for an Aging and Dementia Friendly Island

Ensure that the essential services Older Adults need and the workforce necessary to provide them are in place.

Expand Older Adult transportation options and raise awareness of these options.

Develop a database/central clearing house of information as a resource for the Island's Older Adult population

Support digital equity and inclusion for Older Adults focusing on ongoing education/assistance.

Expand opportunities for community engagement (coordinated volunteer program, time banking, educational programs etc.).

Address Older Adult safety/accessibility regarding infrastructure (roads, sidewalks, bike paths, beaches) to support their lifestyle aspirations.
