**Date:** Tuesday, November 10, 2020 6:47:14 AM

---

To : The Honorable Board of Selectmen  
From: Harbor Advisory Committee

On November 9th at 11:00 am the board met and discussed mooring fee increase from \$100-\$200. There were only three members who attending the meeting, we discussed the increase. We did not have a quorum to vote on it, however the three members individually recommended the increase. Also at the meeting we reviewed and discussed changes to the waterways rules and regulations. Again we did not have a quorum but as individuals recommend these changes requested by harbor master Rossi. We did not discuss any other items on the annual report that the harbormaster presented on October 14, 2020 to the board of selectmen.

Respectfully

Jeffrey Maida  
Chairman  
Harbor Advisory Committee
