Respected Board Members of the Town of Chilmark
Mr. Tim Carroll, Town Administrator,

Subject: Permission to Shoot a scene from our new series *“Amy Learns To”* for HBOMax; in the Town of Chilmark.

Respected Members of the Board-

My name is Alex Dandino, and I am the Production Manager of the new television series *“Amy Learns To”*, which is produced by IPC (My production company) and our producing partner/network, HBOMax.

I am writing this letter to officially request permission to film in the Town of Chilmark on August 30th, 2021.

“Amy Schumer Learns to Cook” is an American cooking show that premiered on May 11, 2020. In the show, Amy learns how to cook from her husband, chef, and long standing Martha’s Vineyard Resident, Chris Fischer.

Our series, *“Amy Learns To”*, is in some ways the continuation of that adventure. In this new series, Amy will learn different things from a variety of folks from around the Vineyard with Chris’ help. Painting a house, Camping, Farming...Amy wants to learn how to do it all!

Although we are still finalizing the creative for the scene we want to film in the Town of Chilmark, we can confidently say that we won’t be interrupting any public transportation systems or stopping traffic (i.e blocking streets, etc.) while filming. We do not intend to bother the neighbors or visitors in any way and being very mindful and respectful to them and the town at large. While Chris and Amy live there, we are guests, and we plan to act accordingly as such.

We are prepared to pay all applicable charges, provide all the information the Town requires and work with you to ensure we can comply and obtain any permits needed for the show for the specified time asked, as we are aware the you generally do not allow permitting during July and August.

With that in mind, I would like to ask your permission to attend the meeting for Board Members on August 10th at 5pm EST so I might explain in detail more about the show and present our show’s needs to help with your decision.

We look forward to hearing back from you. In case of any questions or concerns, you may contact me at 330.212.1397.

Thank you for your time and I hope to speak with you all soon.

Best regards,
