Good afternoon Gentlemen;

The Select Board have asked me to reach out to get on each of your agendas. We still haven't heard from either town about their willingness to contribute to the HH project in a manner similar to the Ambulance Building. Since we haven't been able to get a response they have asked to meet with each Board to try and come to some sort of response.

Please let me know when your Board will be meeting so we can post a meeting and plan to attend,

Thank you,
Jen
