Re: Peaked Hill Pastures
Date: April 13, 2021

At the Planning Board meeting on Monday, April 12, 2021, the Board met with Christine Flynn, Economic Development and Affordable Housing Planner of the MV Commission, to finalize a Peaked Hill Pastures Scope of Work for Community Engagement and Visioning and the Peaked Hill Pastures Work Program.

The Board unanimously endorsed the scope of work and work program and voted to recommend to the Select Board the acceptance and use, by the Town, of available District of Local Technical Assistance (DLTA) funds, provided by the MV Commission, to fund the hire of a consultant tasked with identifying multiple Peaked Hill Pastures development options for consideration.

Please see, attached, the two documents referenced in this memo.

The Board appreciates your consideration of our endorsement of the scope of work and work program and our recommendation to accept and expend DLTA funds.
