RE: Parking at the top of Lucy Vincent lot on July 31<sup>st</sup>  
DT: April 30, 2021

The Chilmark Beach Committee approves permission for the overflow of parking during the service to be held on Azalea Lane on July 31<sup>st</sup>. We understand this request is not for after-hours beach use.

A Chilmark Guard will stay at the gate until all cars have left, so the gate can be locked at the end of the service.
