RE: NOMINATION OF INSPECTOR OF ANIMALS

Nominating Authority:

Enclosed is the nomination form for the Inspector of Animals for your city or town. **This form is due back to the Division of Animal Health by April 1, 2023.** The appointment will run from May 1, 2023 until April 30, 2024. If more than one inspector was appointed for your city or town, there is a separate form for each. If you are nominating the same inspector(s) this year, **be sure that all of the contact information is complete and still correct.** Any corrections should be made in the space provided on the right. If you will be nominating a new inspector, that person's information should be entered in the space provided on the right. Submit a separate form for each inspector nominated. Also, be sure that all of your (nominating authority) information is complete and correct. Any changes to your information should be made in the space provided to the right.

Once all of the contact information is confirmed to be correct, all that is needed is to **have the nominee sign the form**, accepting the nomination and swearing to faithfully perform the duties of that office. **The nominee's signature must be notarized.** In many cases the city or town clerk is a notary.

Your municipality can have as many animal inspectors appointed as you feel are needed to fulfill the duties. Please note, a duty of the municipal animal inspector is the annual "barn inspection". An inspector is not able to perform an inspection on their own property. If your inspector keeps animals in your town, then the municipality will require an additional inspector to perform that inspection.

After the nominee's signature has been notarized, simply **return the form to the Division of Animal Health at the address listed at the top of the form.** The Division of Animal Health will send back confirmation of the inspector's appointment. **Please note that regardless of when the most recent appointment was made, it is only valid through April 30, 2023.** This nomination will cover the year starting May 1, 2023 and run until April 30, 2024.

If you have any questions, please call Ashley Kraft at (617) 626-1810 or email Ashley.Kraft@mass.gov.

Thank you,

Michael Cahill, Director
Division of Animal Health
