Subject: Request for Re-appointment to Molly Flender Affordable Housing Trust

Hi Tim -

I hope you are well and enjoying our hot summer.

I am writing to request re-appointment to the MFF as an at-large member. I have enjoyed being part of the committee for the past however many years. And I apologize for this late request as there was some confusion as to whether I was the Housing Committee appointee (in which case I could not be reappointed since I no longer serve in that committee), but I wasn't. Andy Goldman was in that slot.

Thanks to you and the BOS for your consideration.
