Chilmark Board of Selectmen

Dear board members,

Attached please find a conservation restriction that will protect the fields at Bliss Pond Farm owned by Julianna Flanders. In order to provide permanent protection it will require your signature plus that of the land bank commission chairman and the commonwealth's environmental affairs secretary.

The restriction was approved by the Chilmark land bank advisory board at its August 7, 2020 meeting, minutes of which are attached.

I have copied Jim Malkin on this email, as your appointee to the advisory board.

Thank you.

Very truly yours,

A handwritten signature in blue ink that reads "James Lengyel".
