Dear MVP Action Grant Committee,

On behalf of [*Organization Name*], [I am/we are] pleased to express support for the Martha's Vineyard Commission's MVP Action Grant Application for the development of a perennial food forest plan and toolkit for Martha's Vineyard. [*Additional detail about organization, relationship to the project, food security, and/or environmental work, if applicable*].

This project is a critical step in accomplishing the goal set in the Martha's Vineyard Climate Action Plan to establish public, perennial food production spaces in every town. MVP grant funding will enable the Martha's Vineyard Commission to develop a regional vision for how this goal may be achieved, and support the Island's towns in successfully realizing that vision. [*Additional comments about specific value/benefits of the project for your town/organization, if applicable*].

This is an exciting opportunity to continue accomplishing our Climate Action Plan goals for Martha's Vineyard, and ensure a healthy, resilient, and abundant future for our community. Thank you for your consideration.

Sincerely,

[*Name(s)*]
