

Dear Select Board Members,

At the Martha's Vineyard Regional High School Committee meeting on January 8, 2024, a vote was taken to respectfully request that each Town's Select Board place the following non-binding question(s) on their Annual Town Election Ballots. This will give the people an opportunity to express their opinion on this matter.

The draft non-binding questions are as follows:

Should the athletic field surface that is moving forward in the proposed design of the track and fields project at the Martha's Vineyard Regional High School be made of artificial/synthetic turf? Please answer by checking one space.

Yes

No

Should the athletic field surface that is moving forward in the proposed design of the track and fields project at the Martha's Vineyard Regional High School be made of natural grass? Please answer by checking one space.

Yes

No
