Dear Town of Chilmark Selectboard

NAACP Martha's Vineyard Branch received a complaint regarding an incident that occurred at Chilmark Community Center on July 29, 2021. On September 25, 2021, the legal redress committee presented its findings to the executive committee and membership. A copy of this report is attached to this letter.

Considering that the Chilmark Community Center is owned by the town of Chilmark, the membership voted to present these findings to the Chilmark Select Board. The purpose of this letter is to request inclusion in an upcoming meeting of the Chilmark Selectboard to present these findings. In the event you permit us to present these findings, we ask that you allow the public to comment at the same time as us.

Let me know if the NAACP Martha's Vineyard Branch will be granted the opportunity to present the findings of the Legal Redress Committee investigation into the July 29, 2021 incident at the Chilmark Town Affairs Council. If so, what will be the date and time of this meeting?

I look forward to hearing from you in the near future.

Yours faithfully,

Arthur Hardy-Doubleday, Esq.
