Dear Jim, Bill and Marie,

I am ready to retire from the Conservation Commission and do not want to be reappointed. I will continue to serve until you appoint my replacement so that there will be a quorum when necessary. I've enjoyed serving and thank you for the honor of the position.

Yours truly, Pam Goff

p.s. Please don't delay hiring a replacement for Kara. She has been an excellent administrator and the commission is dependent on someone as capable as soon as possible.
