Good Morning Christine,

The Planning Board voted to recommend the use of 2020 DLTA funds, as you proposed, for the Peaked Hill Pastures Site Analysis and Engineering at their meeting on July 27, 2020 and the Board of Selectmen voted to approve this recommendation at their meeting on August 4, 2020.

The vote was to expend funds based on the quote provided by VLSE, Inc. in February 2020. Please see this quote, attached.

Please let me know what next steps are needed from the Planning Board.

Thank you for your continued and valuable guidance on this important project.

Best,

Jennifer Christy
