Hi Tim,

Please see, attached, a memo with information about additional appointments of representatives from the Planning Board to the MVLB TAB (Peter B. Cook) and the Molly Flender Aff. Housing Comm. (Janet L. Weidner). A hardcopy has been placed in your inbox.

And, FYI, the Board has postponed discussion on any further amendments to the Swimming Pool zoning bylaw (amendments to which were approved at the ATM in 2019, but placed "on hold" by the AG in August 2019) until a future meeting of the Board, possibly this fall.

Thank you,

Jennifer Christy
