Selectboard, Town of Chilmark

Come 2023, I will have worked more than 32 years in this profession and feel that it is my time to step down and retire. I appreciate the support this board has provided to the police department during my tenure as the chief. These years have been humbling, challenging and rewarding. I am proud of where the Chilmark Police Department is today and I am confident that it will continue to progress and earn support from this board and community.

I would like board to know that I do not intend to renegotiate or renew my current contract with the town. The contract, expires on March 20, 2023, states either party must give at least 3 months written notice of their intent not to renew. I want to provide the town with this extended notice to allow for FY24 budget and employee modifications.

Thank you again for your continued support.

Respectfully,

  
Jonathan P. Klarén
