Hi Tim,

I found it best to ask you to fwd this request to the BOS as I think it will be helpful with your notes and the law attached.

I would like to request the BOS to approve the generous \$10k donation that the police received from a resident who passed away last year.

I believe that the wishes were for the name to remain anonymous.

The guidance for this gift is that 'to better assist officers with doing their jobs'

Also, it is my understanding that another resident has agreed to 'donate' to the town/police cost of a speed sign (\$3300) that has been ordered but not delivered.

I am asking that the town also agree to accept this anticipated gift.

The guidance for this gift is to monitor and control vehicle speed in Menemsha.

Thank you,
Jonathan

Chief Klaren:

Please send the Board of Selectmen a memo listing the gifts of funds that you have received, any restrictions or conditions on the gifts, and your intended use of the funds.

I am going to schedule the BOS to vote a blanket approval of any gifts you received on the past year at their next meeting February 16th . Thank you.

Tim

section 53A. An officer or department of any city or town, or of any regional school or other district, may accept grants or gifts of funds from the federal government and from a charitable foundation, a private corporation, or an individual, or from the commonwealth, a county or municipality or an agency thereof, and in the case of any grant or gift given for educational purposes may expend said funds for the purposes of such grant or gift with the approval of the school committee, and in the case of any other grant or gift may expend such funds for the purposes of such grant or gift in cities having a Plan D or Plan E form of government with the approval of the city manager and city council, in all other cities with the approval of the mayor and city council, in towns with the approval of the board of selectmen
