Subject: Chilmark Preschool Site Proposal

Chilmark Town Administrator and Select Board, Robert Lionette and Susan Stevens,

The Chilmark Preschool Board of Directors and other members of the community are collaborating on the new preschool building project. Here is an update.

Reid Silva is our engineer and is advising us on the best location for the new preschool and other matters pertaining to the site. After much consideration, the best location is the PINK rectangle perpendicular to the tennis courts, see attachment. *We would like him to clear and stake the property line so that we can draft our plans, subject to your approval.*

Josh Gothard of Music Street Architects is working with us to design a school that is green, in keeping with the school campus and compliant with early childhood regulations and other codes.

TIM, PLEASE SHARE THIS INFORMATION WITH THE SELECT BOARD TO GRANT US THE PERMISSION TO MOVE FORWARD WITH CLEARING AND STAKING THE PROPERTY LINE.

After that is done we will be able to move forward with a building design. Upon completion, this design will be shared with the Select Board, School Committee, Principal Stevens and ultimately the Town of Chilmark for a vote.

Thank you for your support of this exciting project! We look forward to hearing back from you at your earliest convenience.

Best,
Alicia Knight
Chilmark Preschool Board Member
