Good Morning Tim, Waren, Dilly,

Happy New Year! Hope you enjoyed healthy and happy holidays,

I am a member of the 5 person Chilmark Preschool Board and on the working group developing plans for both short and long term solutions to the space constraints at Chilmark School. As a retired first grade teacher, special education specialist, and school principal, I am particularly interested in working together. I attended the last Select board meeting by Zoom and know that Rebekah Thomson and Anne Mayhew have been working with Tim to move the building project forward.

I understand today is a deadline for warrants, so wanted to confirm it is being included for this year's town meeting. One of our parents (a lawyer) connected with Ron Rappaport and hopefully Tim or someone from town hall has as well. Also, we wanted to find out what, if anything, you need from us to help make it happen, as time is of the essence.

Please feel free to contact me at any time and know how grateful we are for your ongoing support,
