Date: Thursday, June 1, 2023 9:16:30 PM

Hello Tim & Honorable Select Board, and other boards CTAC, CCC

We, the Friends of the Chilmark Preschool, request permission to hold a fun, festive, family event on **Saturday July 15, 4-7pm** on the Beetlebung campus.

WHY: to kick off awareness and promotion of the new Preschool building project with this community event for families and children of all ages

WHAT: family event with music by Rob Meyers of Pinkletinks, food (possible pizza & popsicles), facepainting, photo booth, t-shirts sales

HOW: we will ask for family contributions to cover costs with purchase of tickets to determine number attending, and parking detail if needed

NEEDS: bathrooms at CCC, possible electrical outlets

WHERE: realizing the construction school HVAC project we are sensitive to location of construction materials. we ask for a space near the library, the baseball field, or the amphitheater behind the school. All trash will be removed by volunteers and areas restored to prior condition

We ask that you share this with appropriate groups and confirm approval as soon as possible so we can organize this event. We appreciate knowing the meeting date this can be considered.

Please call if you have any questions or need additional information. Again thank you for your support of Chilmark Preschool.

Debbi Zetterberg, Board member
