Zoom Meeting ID: 999 7120 1112
Revised 11/18/21

9:00 – Continued Public Hearing

Applicants - Matthew & Jessica Harris

Address: 277 North Road AP 14-9

Representative: Reid Silva, Vineyard Land Surveying & Engineering

Project: The applicant proposes to remove an existing guest house and shed and to construct and maintain an addition to an existing dwelling. Portions of the work will be largely within the buffer zone to a BVW, however all of the work will be located within currently cleared and maintained lawn area. **NO SITE VISIT**

9:15 – Public Hearing

Applicant: Douglas Liman

Address: 2724 and 32/34 Blacksmith Valley Road AP 35-38 & 32

Representative: Paul McManus, EcoTec, Inc.

Project: Proposed ongoing management of a stand of Phragmites australis reed. The applicant would like to remove and maintain the removal of a 700 sq. ft. stand of Phragmites that is located in a wetland resource along the shore of Squibnocket Pond and any other patches that may be discovered on the property. The resource area seemingly fits the definitions of a Bordering Vegetated Wetland and a Salt Marsh as the pond is brackish. There will be no land disturbance. The Phragmites will be cut several times using hand tools and powered hand tools. No herbicides or chemicals will be used to help contain the Phragmites growth.

SITE VISIT Monday Dec 6 meet at Chilmark Town Hall at Noon
