

12/22/2023

To The Town of Chelmsk,

I am requesting another 3 year position on the MV Central Council. I originally applied 11/2020 (I did supply in the fed but they cant find a record of it).

Thank you very much for considering this. As an island artist I love supporting any endeavors that encourage creativity on the island and am honored to represent Chelmsk.

Thank you,

Stephanie Dorfitt
