Re: Chilmark Road Race

Dear Mr. Carroll:

We are now in the process of preparing for the 44th annual Chilmark Road Race. This year the race will be held on Saturday, August 14th at 10:30am. We will again use the traditional Finish Line at the exit to the Town Hall parking lot, and we will provide refreshments on the front lawn of the Town Hall to avoid congestion in the narrow space between the Town Hall and the Fire House.

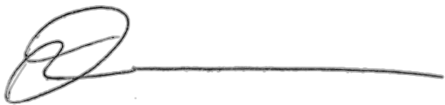

This year, as in the past, we will:

- Limit the number of runners to 1600.
- Coordinate with Jonathan Klaren and comply with any requirements he may have.
- Obtain a Mass Highway Dept. permit.
- Obtain approval of our sanitary plan from the Board of Health. (Approved June 2nd, subject to any change in Governor's orders)
- Work with the Town to make this a safe and enjoyable experience for all.

Regarding Covid19, we will provide masks to all participants and request they be worn on buses and at Start until the beginning of the race. We also intend to spread check-in over a greater time period and hold it in a tent outside the Community Center to reduce any indoor contact.

We would appreciate approval by the Board of Selectmen for this year's race. Please let us know if you have any suggestions or any new requirements. Also, please sign the attached letter for Mass Highway. I'll obtain signatures from Police and Fire chiefs.

Yours truly,

Hugh Weisman
