Dear Town of Chilmark:

I have been a full time resident of West Tisbury for many decades.

On January 8th my car broke down on North Road near the entrance to Tea Lane. I was on my way to Menemsha to my attorney's home for a Zoom divorce hearing. Cell phone reception was so poor I left a note on my car and started walking towards Menemsha because I didn't know what else to do. I am 68 years old and recovering from Lyme disease so it was a long way to walk and I was very upset as you can imagine. Luckily, Shawn Slavin, who is a Chilmark policeman stopped as I was walking and asked if I needed help. He kindly drove me to Menemsha and I was so grateful.

I am blessed to live on the Vineyard! Thanks so much to Mr. Slavin and to the Town of Chilmark for their wonderful services.

Sincerely,

Pamela J. Putney
