To the honorable Chilmark Select Board,

Tri-Town Ambulance would like to accept the resignation of Traci Cooney from her full time Paramedic Position with our service. She has been a wonderful employee and we will miss her in her full-time capacity.

We would like to rehire her as a Per-Diem Paramedic, at Grade 8, Step 3, and can continue to have her cover shifts, as well as provide the excellent patient care skills that she is known for.

If you have any questions or concerns, I would be happy to address them with.

Sincerely,

Ben Retmier  
Tri-Town Ambulance Chief
